Welcome Aboard

MetroLink Queensland, on behalf of Brisbane City Council, operates a range of river transport services to cater for the travel needs of recreational passengers and commuters. The river is the heart of Brisbane, so there's no better way to travel around the City than by CityCat or CityFerry.

Complementing the major CityCat route, which stretches from the University of Queensland to Hamilton, the Council's original singlehull ferries are used to form a network of Inner City and Cross River services.

Whether your destination is up, down or across the river, a CityCat or CityFerry will get you there hassle free.

Visit www.metrolinkqueensland.com.au for more information.

Timetables

Copies of timetables are available on all vessels or by visiting Council Customer Service Centres, the Riverside Ferry Information Centre, the Queen Street Bus Station Information Centre or most tourist information centres.

You can also call TransLink on 13 12 30 (6am to 9pm Monday to Thursday, 24 hours from 6am Friday until 9pm Sunday) or check the TransLink website www.translink.com.au to plan your journey.
